It's Time To Swing!

Dear Teacher,

The end of the school year is in sight and you are looking forward to summer. We hope you have fun. You deserve it.

Weekly Reader would like to thank you for letting us come into your classrooms this year. We enjoyed it and hope you did too.

It was our goal to support your program by

- selecting topics that were interesting, informative, and entertaining for second graders.
- providing clear and exciting photos and drawings that would add interest to the topics.
- making children aware of the things going on in the world around them.
- stimulating children by presenting problems that made them think.

As we review the year's work, we feel that we accomplished our goals most of the time. Your letters told us that you think so too. Thank you for writing.

We'll see you in September.

Happy swinging!
